

VALDEZ ALASKA

Prince William Sound

- THE -
LOCAL EXPERTS
AT HOME IN VALDEZ
SINCE 1971

The Stephens family and all of the crew at Stan Stephens Glacier & Wildlife Cruises invite you to explore the calm waters of Prince William Sound.

A day spent on the water with Stan Stephens Glacier and Wildlife Cruises is a complete Alaskan Experience! The Stephens family and staff will take the time to let you experience all of the Sound from the magnificent icebergs at Columbia Glacier, calving at Mearns Glacier, to Orca Whales, Humpback Whales, Stellar Sea Lions, Sea Otters, Seals, Puffins, Bald Eagles, Kittiwakes, Cormorants, Porpoise, Goats or Bears. In addition to amazing wildlife and glaciers, they will share with you information about the history of the Sound, commercial fishing, Trans Alaska Pipeline Terminal, oil shipping, early explorers, and copper and gold mining.

Unique to Stan Stephens Cruises is their all Alaskan staff. While on board you will have a chance to visit with them and learn what life in Alaska is like; summer, winter, spring and fall. **Let Alaskans Show You Alaska!**

On all tours we will take you out of the way to discover the wildlife and wonders of Prince William Sound.

- SEE our abundant marine wildlife: Steller Sea Lions, Sea Otters, Seals, Orca (Killer) Whales, Humpback Whales, Minke Whales, Porpoise, Eagles, Puffins, Cormorants, and more!
- CHECK the Captain's Log on our website to see which animals have most recently been spotted.
- LEARN about our fantastic history & culture including stories about early explorers, gold and copper mining, 1964 earthquake, commercial fishing, 1989 Exxon Valdez Oil Spill, Oil Shipping, and the Alaska Natives of the area.
- GLACIERS abound from every mountaintop and valley. In addition to Columbia and/or Meares Glacier you will view many additional glaciers enroute.
